## AUTHORIZED CONCESSIONAIRE IMPROVEMENTS

### A. CONCESSIONAIRE IMPROVEMENTS ASSIGNED

The following concessionaire improvements are assigned to the concessionaire for use in conducting its operations under this concession contract:

Building Number	Description	Photo Number
-----------------	-------------	--------------

*This is the area where each LB concession contract will undoubtedly have something entered, i.e. buildings being continued, docks, launch ramp, utilities, etc. Remember this can not be completed until successful bidders are selected and their particular identification of facilities to be retained is authorized by Reclamation. Bidders should review PART 7.10 (Current Appraisal) for indication of specific compensation levels they would be required to pay to existing concessionaires for various facilities.*
